

## Knowledge Management Working Session Survey Results

The Knowledge Management survey results shown below were split between an initial survey and a subsequent survey taken to assess any change. The initial survey is represented by the Session A results and the next survey is represented by the Session B results. Overall the results were positive. Session A had 18 total responses. Of the 18 responses, 10 were rated at the very satisfied mark, 7 were rated satisfied, and 1 was rated somewhat satisfied. For Session B, there were 24 total responses. Of the 24 responses, 16 were rated very satisfied, 6 were rated satisfied, and 2 were rated somewhat satisfied.

Below are graphs of each of the survey questions and responses. The actual survey presented to the participants is at the end of the appendix.

1. I received useful information on Knowledge Management during the working session.

2. I was able to contribute a lot to the Knowledge Management working session.

3. I was pleased with the content presented in the Knowledge Management working session.

4. I was comfortable with the level of detail in the content presented for the Knowledge Management working session.

5. I feel the size of the Knowledge Management team is appropriate.

6. The Knowledge Management working session provided ample time for discussion.

7. If I could change on thing about the Knowledge Management working session, it would be...

Session A: Become more detailed instead of having so much to think about at one time. Concentrate on one topic. Pull all of the pieces together at a retreat.

Session B: More parties should attend.
